### **Choice Plus Plan**

#### Summary of Benefits and Coverage: What This Plan Covers & What it Costs **Coverage for:** Employee & Family

UnitedHealthcare

Plan Type: PS1

<b>This is only a summary.</b> If you want more detail about your coverage and costs, you can get the complete terms in the policy or plan document at <u>welcometouhc.com</u> or by calling 1-866-844-4864.			
Important Questions	Answers	Why This Matters:	
What is the overall <u>deductible</u> ?	Network: <b>\$1,000</b> Individual / <b>\$3,000</b> Family Non-Network: <b>\$1,000</b> Individual / <b>\$3,000</b> Family Per calendar year. Copays, prescription drugs, and services listed below as "No Charge" do not apply to the <u>deductible</u> .	You must pay all the costs up to the <u>deductible</u> amount before this plan begins to pay for covered services you use. Check your policy or plan document to see when the <u>deductible</u> starts over (usually, but not always, January 1st). See the chart starting on page 2 for how much you pay for covered services after you meet the <u>deductible</u> .	
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet <b><u>deductibles</u></b> for specific services, but see the chart starting on page 2 for other costs for services this plan covers.	
Is there an <u>out-of-pocket</u> <u>limit</u> on my expenses?	Network: <b>\$1,800</b> Individual / <b>\$4,600</b> Family Non-Network: <b>\$1,800</b> Individual / <b>\$4,600</b> Family	The <b><u>out-of-pocket limit</u></b> is the most you could pay during a coverage period (usually one year) for your share of the cost of covered services. This limit helps you plan for health care expenses.	
What is not included in the <u>out-of-pocket limit</u> ?	<b><u>Premium</u></b> , balance-billed charges, health care this plan doesn't cover, and penalties for failure to obtain pre-notification for services.	Even though you pay these expenses, they don't count toward the <u>out-</u> <u>of-pocket limit</u> .	
Is there an overall annual limit on what the plan pays?	No.	The chart starting on page 2 describes any limits on what the plan will pay for specific covered services, such as office visits.	
Does this plan use a <u>network</u> of <u>providers</u> ?	Yes. For a list of <u>network providers</u> , see <u>myuhc.com</u> or call <b>1-866-844-4864</b> .	If you use an in-network doctor or other health care <b>provider</b> , this plan will pay some or all of the costs of covered services. Be aware, your in- network doctor or hospital may use an out-of-network <b>provider</b> for some services. Plans use the term in-network, <b>preferred</b> , or participating for <b>providers</b> in their <b>network</b> . See the chart starting on page 2 for how this plan pays different kinds of <b>providers</b> .	
Do I need a referral to see a <u>specialist</u> ?	No.	You can see the <b>specialist</b> you choose without permission from this plan.	
Are there services this plan doesn't cover?	Yes.	Some of the services this plan doesn't cover are listed on page 5. See your policy or plan document for additional information about <u>excluded</u> <u>services</u> .

For example, if the plan's <u>allowed amount</u> for an overnight hospital stay is \$1,000, your <u>coinsurance</u> payment of 20% would be \$200. This may change if you haven't met your deductible. The amount the plan pays for covered services is based on the allowed amount. If a non-network provider charges more than the allowed ۲ amount, you may have to pay the difference. For example, if a non-network hospital charges \$1,500 for an overnight stay and the allowed amount is \$1,000, you may have to pay the \$500 difference. (This is called balance billing.) This plan may encourage you to use network **providers** by charging you lower **<u>deductibles</u>**, **<u>copayments</u>** and <u>**coinsurance**</u> amounts. • Your Cost If Your Cost If Common **Services You May** You Use a You Use a **Limitations & Exceptions Medical Event Non-Network** Need **Network Provider Provider** If you visit a health Virtual visits (Telehealth) – \$15 copay per visit by a care provider's office designated virtual network provider.
